

Buk's Brave Halloween

By [Shane Connelly's AI Childrens Book Generator](#)

Buk peeked out the window. Halloween was tonight. Big shadows made him gulp.

He hugged his hoodie tight. What if it was too spooky? His tummy did a flip.

Knock, knock! Friends waved at the door. Shiv, Maiya, Timmy, and Max smiled. We can go together, said Shiv.

They showed their costumes. Buk had a friendly dragon suit. It felt brave and cozy.

Pumpkins glowed like tiny suns. Buk held his candy bag tight. His friends walked close by.

At the first house, he froze. The porch witch cackled, then smiled.
We're with you, said Timmy.

Buk took a deep breath. Trick or treat, he said. Candy plinked in his bag.

They visited more houses. Shiv zoomed like an astronaut. Maiya pranced like a unicorn.

Timmy spied with his telescope. Max beeped like a robot. Buk roared a tiny dragon roar.

Soon, their bags were heavy. They giggled under the big moon.
Halloween felt friendly now.

Back home, Buk sorted candy. Thanks, friends, he said softly. He slept with a happy heart.

Morning sun tickled the curtains. Buk grinned and ate all his candy. What a brave, sweet Halloween!
