

Max's Big Wish

By [Shane Connelly](#)'s [AI Childrens Book Generator](#)

Emmy and Max held the shiny Dragon Scale, whispering their wish to visit Dragon Land. With a bright flash, they were whisked away to a world where dragons soared and magic was real!

They were greeted by their dragon friends: Ord, Cassie, Zak, and Wheezie. 'Let's play!' cheered Emmy. The dragons and children began their fun-filled day with games and laughter.

But as they played, Max realized he was too small for some games. Feeling left out, he wandered off alone and found a mysterious wishing well hidden behind some bushes.

Max tossed a shiny coin into the well. 'I wish to be the biggest giant ever!' he declared. Suddenly, a glow surrounded him, and he began to grow!

'Wow!' Max laughed as he grew bigger and bigger. Soon, he was towering over Ord, then Quetzal, and even the tallest giant, Mungus!

Max didn't stop there; he grew past the Earth, then Jupiter, and then the sun! He became so big, he could hold planets in his hands like marbles.

Max loved being so big! 'I want to keep growing forever,' he giggled. Below, Emmy and the dragons looked up, amazed and a bit worried about how to bring Max back.

'Max, think of all the adventures we can't have if you're too big,' Emmy called out. 'We miss playing with you!' Hearing this, Max began to wish for something else.

Max wished to be back to his normal size again. With that wish, he began to shrink. Down past the galaxies, stars, and back to Dragon Land. 'I'm back!' he cheered.

'Being big was fun, but being with friends is even better,' Max realized. They all hugged and laughed, happy to play together again in Dragon Land.
