

Sammy Makes a Friend

By [Shane Connelly](#)'s [AI Childrens Book Generator](#)

One bright sunny day, Sammy was playing in the backyard. Sammy loved to explore the fields and smell the flowers.

As Sammy wandered, a strange sound caught his attention. It was a soft oink! oink! that made Sammy curious.

Sammy tiptoed through the grass and found a little piglet! 'Hello, piglet!' Sammy said with a big smile.

The piglet wagged its tiny curly tail and nuzzled Sammy's hand. Sammy giggled, 'Do you want to be friends?'

The piglet oinked happily and followed Sammy around the field. They played and laughed together all afternoon.

As the sun started to set, Sammy and the piglet sat down to rest. Sammy whispered, 'You are my best friend, piglet.'

The piglet oinked softly and snuggled close to Sammy. From that day, Sammy and the piglet were the best of friends.
